

Buzzaround GP130

The new Buzzaround CarryOn folding power wheelchair is truly in a class all by itself! This unique power chair is super portable with a 21" turning radius and center wheel drive for optimal coverage and maneuverability making it the perfect partner for your next adventure. Our exclusive PowerLink™ Connectivity makes assembly and disassembly a snap! Independent 4-wheel suspension and a springless articulating chassis provide a smooth ride indoors and out. The CarryOn features a 300 lb. weight capacity, front and rear light package, and textured soft touch armrests. Enjoy long range coverage up to 12.5 miles on the airline friendly 12.5 AH lithium-ion battery, which can be removed and taken as a carry on while traveling by air, sea or train. The heaviest piece is 46 lbs. (without seat and batteries) and the height when folded is only 10" for small space storage tucked out of the way. Carry on with life in the CarryOn power chair!
