Companion HD 3-Wheel (Heavy-Duty) GC540

GOLDEN
Companion
HD

The new Golden Companion Heavy-Duty 3-wheel scooter combines a modern design with high performance features to offer the ultimate indoor or outdoor driving experience at a weight capacity of 500 lbs. The Companion HD's rugged construction is built for stability and maneuverability with front anti-tip wheels, a 51" turning radius. It offers rear suspension for a smooth ride, and a powerful 120 Amp controller for outstanding climbing ability. It features front and rear LED lighting, an adjustable tiller with auto-lock, and a luxury high-back Captain's seat for maximum comfort when on the go, plus durable vibrant red, blue or grey color shrouds for a sporty look. With solid, non-marking tires, an operating range of 16 miles on 2-NF22 batteries, and a maximum speed of 6 mph, the Companion HD offers everything you need to enjoy the great outdoors!

Standard Colors:

Crimson Red

Azure Blue

Galactic Grey
