

AXIOM CS

CUSTOM SEATING BY  Mobility

A BETTER WAY TO
BUILD & BUY

We've redesigned the *Axiom Custom Seating* experience and it's better than ever.

Axiom Custom Seating is designed for the most unique postural challenges. With a wide range of options, it allows you to find the best fit and postural support for your client's daily and long-term needs.

- Guaranteed wheelchair and seating compatibility
- More than 50 different cover material and color combinations (including neoprene, vinyl, and Tek Stretch)
- Transit approved hardware options
- Select itemized or packaged options to fit funding models
- Personalize with a free embroidered name

Intuitive online categories with images of the components so you can visualize your seating system!
