

Care Stand Belts & Accessories

Medcare's Care Stand Belts are for weight-bearing patients/residents who have more consistent and reliable motor functions. Care Stand Belts are the first and only sit-to-stand belts available with **Microban** antimicrobial product protection. Designed for use with Care Stand, Care Bar Stand, Care Stand-n-Weigh and Care Bar Stand-n-Weigh.

Medcare Disposable Slings & Belts Contain Antimicrobial Product Protection

Microban protection provides continuous antimicrobial cleaning that inhibits the growth of microbes such as bacteria, mold and mildew that can cause stains, odors and product deterioration, keeping the slings cleaner between cleanings.

Care Belt

Care belts are designed to go behind the resident's back and buckle around the waist. Reinforced, color-coded straps allow for easy adjustment and safety. These belts are for weight-bearing residents who have more consistent and reliable motor functions.
