Milo, James & Leon

Multifunctional
shower chairs

Thoughtfully engineered to deliver safe, stable, and dignified hygiene care, the Milo, James, and Leon Shower Chairs provide personalized comfort for residents and intuitive ergonomics for caregivers—even in complex or bariatric care scenarios.

Packed with features:

- High-quality aluminum frame ensures superior stability and safety.
- Soft, ergonomically shaped seat and back cushions made from PUR foam upholstery provide exceptional comfort.
- Electrically powered, stepless tilt with intuitive, flexible remote control for effortless positioning and enhanced caregiver convenience.
- Convenient lockable nursing opening provides easy access, enhancing hygiene and caregiver efficiency.
- Magnetic plug charging system simplifies maintenance and daily use.
- Space-saving design compatible with NORA and CARLO systems.

Customize with:

- Fully adjustable armrests, leg supports, footrests, and 3D headrest for personalized positioning
- Bed Pan holder
- Shower head holder
- 2 programable memory keys
- 2 preset function keys "Park" and "Clean"

Milo

Compact, cost-effective design that transforms showering into a personal, feel-good experience.

James

Fully extends to 55° with unique 30° backrest tilt for optimal hygiene access.

Leon

Bariatric design featuring an extra-wide seat and backrest, safely supporting patients up to 507 lbs (230 kg).
