

## Airgo Comfort-Plus Aluminum Cane, Offset Handle

HCPCS:

- For people who could use a hand with balance while walking, our Airgo offset handle cane offers the perfect amount of stability and support
- The Comfort-Plus handle with a cushioned grip helps absorb shocks
- It is ideal for those with arthritis
- NEW cane handle grips to the wall and won't fall
- The 12 push-button height settings ensure this cane can be adjusted to fit you properly
- Built for longevity from ultra-durable lightweight anodized aluminum
- Includes a cane strap with reflective patch for added night time safety
- The treaded rubber Flex-Grip tip provides superior traction
- Fits most people 56'5
