Prestige Collection

The Prestige Collection combines high-density MDF with seamless 3D laminate surfaces engineered for durability, easy maintenance, and long-term performance.. The result is a clean, cohesive look that elevates resident spaces while supporting daily care routines.

- Seamless edge design for a real wood look
- Sealed substrate helps to prevent bacteria and moisture buildup
- Highly impact resistant compared to traditional laminate surfaces
- Low maintenance with high stain resistance and easy cleaning
- No warping, cracking, or splitting
- Compliant with Sturdy Act 2023 standards

Shell, Doors and Drawers

Premium materials and details deliver a refined aesthetic with everyday durability.

- 3DL seamless wrapping on cabinet tops, sides, and front profiles helps keep moisture out and simplifies cleaning
- PUR adhesive is used on all edge banded interior components and drawer boxes enhancing the durability under frequent disinfection.

Best-in-Class Drawer System

Engineered for demanding care settings, our drawers run on ball-bearing slides—not epoxy—for stronger support, smoother, quieter motion, and longer life.

- Positive stops help prevent tip-outs
- 12 in (305 mm) slides maximize usable drawer depth
- Up to 100 lb (45 kg) capacity per drawer
- Concealed European-style hinges for a clean, durable door appearance

Toe Kicks and Levelers

- Continuous one-piece toe kick stops larger items from sliding underneath while reinforcing a streamlined, modern aesthetic.
- Four-corner levelers enable quick, precise leveling and stability on uneven floors
